A number of training programmes for farmers and farm women will be held during **December, 2023** by Directorate of Extension Education. The details of these programmes are given below. Please contact the respective Training Centre of PAU for more information.

KVK, AMRITSAR (98723-54170)
December 04: Management of late blight of potato December 12: Awareness and use of mineral mixture, uromin licks and by pass fat in dairy ration December 13: Fertilizer and nutrient management in late sown wheat December 14: Techniques of training and pruning of deciduous fruit plants December 15: Nutrient deficiency symptoms and their remedial measures in <i>rabi</i> crops December 21: Nutrient management strategies and identification and management of nutrient deficiency symptoms in fruit crops
KVK, BATHINDA (0164-2215619)
December 01: Awareness and use of mineral mixture in dairy ration December 04: Diagnosis and management of nutrient deficiencies in <i>rabi</i> crops December 06-08: Preparation of eco-friendly cleaning agents December 08: Post-harvest management/handling of fruits and vegetables December 15: Techniques of training and pruning of deciduous fruit plants
KVK, FARIDKOT (01639-253142)
December 01: Seed plot technique for raising disease free potato seed December 04: Formulation of balanced cattle feed December 07: Training and pruning techniques in fruit plants December 08: Diagnosis and management of nutrient deficiencies in <i>rabi</i> crops December 11-15: Pig Farming December 14: Post-harvest management/handling of fruits and vegetables December 18-22: Construction of biogas plant and tips to enhance its efficiency during winter
KVK, FATEHGARH SAHIB (01763-221217)
December 01: Food safety and techniques to check food adulteration December 04-08: Value addition of winter vegetables and fruits December 06-12: Goat Farming December 07: Winter management of honey bees and importance of byproducts of beekeeping December 13: Awareness and use of mineral mixture in dairy ration December 14: Cultivation of <i>Dhingri</i> mushroom December 20: Amelioration of manganese deficiency in wheat and <i>berseem</i> December 21: Pruning and training of fruit plants
KVK, FERROZPUR (Mallewal) (01632-279517)
December 01: Care and maintenance of woolen and silk garments December 04-08: Manufacturing of milk products December 05: Formulation of balanced feed using domestic ingredients December 06: <i>Gur/Shakar</i> making and preparation of value added products from it December 11-19: Mushroom cultivation and processing December 12: Nursery management of winter vegetable crops i.e. chilli and onion December 13: Safe use and handling of spraying equipments and farm machinery December 15: Awareness and use of mineral mixture in dairy ration December 21: Management of yellow rusts and <i>karnal bunt</i> in wheat December 22: Nili-Ravi breed of buffalo and its breeding management December 29: Training and pruning in kinnow, peach, pear and sapota
KVK, GURDASPUR (01874-220743)
December 04-08: Balanced diet for different age groups December 05: Training and pruning techniques of deciduous fruit plants December 07: Identification and management of nutrient deficiencies in <i>rabi</i> crops December 08: Care of pregnant and lactating women and children of different age groups December 15: Importance of mineral mixture December 21: Custom hiring of agricultural machinery and use of Information and Communications Technology in agriculture December 22: Nutrient management and diagnosis and management of nutrient deficiencies in fruit crops

KVK, HOSHIARPUR (Bahawal) (98157-51900)
December 06: Seed plot technique for raising disease free potato seed December 11: Efficient utilization of non-conventional energy gadgets December 13: Formulation and uses of mineral mixture and UMMB December 14: Integrated Pest Management of wheat December 21: Techniques of training and pruning of fruit plants
KVK, JALANDHAR (Nurmahal) (01826-292053)
December 04-15: Dairy Farming December 11-15: Value addition and processing of winter crops for income generation December 18: Techniques of training and pruning of deciduous fruit plants December 19: Integrated Pest Management in <i>rabi</i> crops December 20: Feeding and management for poultry birds
KVK, KAPURTHALA (01822-233056)
December 04: Green fodder production round the year December 14: Food safety and techniques to check food adulteration December 18: Techniques of training and pruning of deciduous fruit plants December 22: Management of rusts and karnal bunt in wheat
KVK, LUDHIANA (Samrala) (01628-261597)
December 08: Diagnosis and management of nutrient deficiencies in <i>rabi</i> crops December 13: Preparation of millet based products December 14: Management of rust and karnal bunt of wheat
KVK, MANSA (01652-280843)
December 04-08: Mushroom cultivation and processing December 07: Low cost nutritious recipes using seasonal ingredients December 08: Techniques of training and pruning of deciduous fruit plants December 13: Formulation of balanced cattle feed December 14: Bio-agents and non-chemical methods for Insect Pest Management December 20: Preventive/post accidental guidelines in agricultural operation December 21: Formulation of balanced feed for dairy animals
KVK, MOGA (Budh Singh wala) (81465-00942)
December 04: Awareness regarding agro-advisory bulletin December 06: Techniques of training and pruning of deciduous fruit plants December 07: Seed plot technique for raising disease free potato seed December 08: Effect of different weather parameters on crop production
KVK, PATHANKOT (98762-95717)
December 04-08: Value addition of milk December 05: Recommended method of vaccination of dairy animals December 06: Effective use of milking and milk packaging machinery December 07: Jaggery making December 11: Rejuvenation technique in mango December 13: Processing of button mushroom December 14: Strategies to manage yellow rust of wheat December 15: Availability of green fodder for the dairy animals throughout the year December 18: Training and pruning techniques in fruit plants
KVK, PATIALA (Rauni) (94642-10460)
December 07: Cultivation of mushroom round the year December 08: Popularization of under-utilized greens December 11: Packaging and processing of mushrooms December 12: Planning, planting and management of deciduous fruit plants December 13: Training and pruning of deciduous plants December 14: Integrated Pest Management in <i>rabi</i> oilseeds and pulses December 15: Therapeutic diet for management of life style diseases like diabetes, osteoporosis etc. December 19: Preparation of different products from amla and guava
KVK, ROPAR (01881-220460)

<p>December 06: Food safety and techniques to check food adulteration</p> <p>December 08: Diagnosis of nutrient deficiencies in <i>rabi</i> crops and their remedial measures</p> <p>December 15: Surveillance and management of yellow rust and karnal bunt of wheat</p> <p>December 20: Poplar cultivation</p> <p>December 21: Formulation and uses of balanced cattle feed of mineral mixture and Urea Molasses Mineral Blocks</p> <p>December 22: Training and pruning techniques of deciduous fruit plants</p>
<p>KVK, SANGRUR (Kheri) (01672-245320)</p>
<p>December 06: Small scale agro-industry - a way to become an entrepreneur</p> <p>December 07: Extraction of honey and its processing and packaging</p> <p>December 08: Root cause of yellowing of wheat leaves and its remedial measures</p> <p>December 15: Techniques of training and pruning in deciduous fruit plants</p>
<p>KVK, SHAHEED BHAGAT SINGH NAGAR (Langroya) (01823-250652)</p>
<p>December 04: Management of rusts and karnal bunt in wheat</p> <p>December 05: Jaggery making and preparation of value-added products from it including vinegar</p> <p>December 14: Techniques of training and pruning of deciduous fruit plants</p> <p>December 15: Food safety and techniques to check food adulteration</p>
<p>KVK, SRI MUKTSAR SAHIB (Goneana) (94630-22203)</p>
<p>December 05: Awareness and use of mineral mixture in dairy ration</p> <p>December 07: Seed production of <i>berseem</i></p> <p>December 12: Small scale agro-industry-a way to become an entrepreneur</p>
<p>SKILL DEVELOPMENT CENTRE (0161-2401960 Ext 261)</p>
<p>December 04-08: Safe practices for making jaggery, <i>shakkar</i> and natural vinegar from sugarcane and apple</p> <p>December 11-15: Establishment of agro-industrial complexes</p> <p>December 18-22: Processing and value addition of soybean and milk</p>
<p>Compiled by: Dr Inderpreet Kaur Boparai and Dr Manoj Sharma</p>
