

### KVK Training Programmes in April, 2024

A number of training programmes for farmers and farm women will be held during **April, 2024** by Directorate of Extension Education. The details of these programmes are given below. Please contact the respective Training Centre of PAU for more information.

<b>KVK, AMRITSAR (98723-54170)</b>
<b>April 03:</b> Soil sampling techniques and judicious use of fertilizers <b>April 04:</b> Management of insect pests and diseases of summer crops <b>April 05:</b> Nutrient and weed management in Organic Farming <b>April 09:</b> Diet plans and recipes to manage lifestyle diseases <b>April 15:</b> Preparation of vermicompost and effect of its use on the soil health <b>April 18:</b> Summer management and feeding of dairy animals <b>April 19:</b> Blood transfusion in animals <b>April 22-25:</b> Garment enrichment through painting techniques
<b>KVK, BATHINDA (0164-2215619)</b>
<b>April 03:</b> Marketing of crop produce <b>April 04:</b> Cultivation of summer pulses/cotton for crop diversification <b>April 05:</b> Summer management and feeding of dairy animals <b>April 09-10:</b> Personal hygiene and nutrition for adolescent girls <b>April 12:</b> Methods of collecting soil and water samples as well as interpretation of results <b>April 15:</b> Integrated Pest and Disease Management in <i>kharif</i> crops <b>April 18-19:</b> Solar cooker and solar dryer as a renewable sources of energy <b>April 22-26:</b> Nursery production in horticultural crops <b>April 25:</b> Improved cultivation techniques of <i>kharif</i> crops <b>April 29-30:</b> Professional and personal skills training for <i>angadwadi</i> workers to implement non-formal pre-school education
<b>KVK, FARIDKOT (01639-253142)</b>
<b>April 01:</b> Improved cultivation techniques of <i>kharif</i> crops <b>April 02:</b> Integrated Pest and Disease Management in <i>kharif</i> crops <b>April 03:</b> Crop regulation in guava <b>April 04:</b> Eco-friendly approaches for insect-pest and disease management of fruits and vegetables <b>April 05:</b> Methods of collecting soil and water samples and interpretation of results <b>April 09:</b> Cultivation of summer pulses for crop diversification <b>April 10:</b> Efficient utilization of non-conventional energy gadgets <b>April 12:</b> Summer management and feeding of dairy animals <b>April 15:</b> Dietary management of lifestyle diseases <b>April 16:</b> Green fodder production round the year <b>April 18:</b> Management of poor quality irrigation water in <i>kharif</i> crops <b>April 19:</b> Custom hiring of agricultural machinery <b>April 22-26:</b> Enrichment of garments through printing and painting <b>April 29:</b> Formulation of balanced feed using domestic ingredients and <i>azolla</i> farming for livestock
<b>KVK, FATEHGARH SAHIB (01763-221217)</b>
<b>April 01-05:</b> Seed production of <i>kharif</i> crops <b>April 02:</b> Production techniques of crops under Organic Farming <b>April 03:</b> Management of insect pests in cucurbits <b>April 04:</b> Identification and management of nutrient deficiencies in fruit crops <b>April 15:</b> Nutritional security through Integrated Nutrition Garden <b>April 16:</b> Integrated management of fruit drop in <i>kinnow</i> <b>April 18:</b> Methods of collecting soil and water samples and interpretation of results <b>April 22:</b> Cultivation of milky mushroom and paddy straw mushroom <b>April 23:</b> Personal hygiene for adolescent girls <b>April 24:</b> Preparation of balanced feed for livestock at home level

<p><b>April 25:</b> Improved cultivation practices for <i>kharif</i> crops  <b>April 26:</b> Integrated Pest and Disease Management in <i>kharif</i> crops  <b>April 29:</b> Improved cultivation practices for <i>kharif</i> crops</p>
<b>KVK, FERROZEPUR (Mallewal) (01632-279517)</b>
<p><b>April 02:</b> Efficient utilization of non-conventional energy gadgets  <b>April 04:</b> Efficient use of crop residue machinery including surface seeding machinery  <b>April 05:</b> Clean milk production  <b>April 18:</b> Crop regulation techniques for quality and yield improvement in guava and <i>ber</i> crops  <b>April 25:</b> Hybrid seed production in vegetable crops  <b>April 26:</b> Methods of collecting soil and water samples and interpretation of results</p>
<b>KVK, GURDASPUR (01874-220743)</b>
<p><b>April 03:</b> Use of renewable energy sources at farm and house hold level  <b>April 04:</b> Management of <i>Apis mellifera</i> colonies during summer and monsoon seasons  <b>April 05:</b> Improved production technology under Organic Farming for different crops including millets  <b>April 15:</b> Integrated training on Piggery, Fishery and Goatry  <b>April 24:</b> Custom hiring of agricultural machinery  <b>April 30:</b> Methods of collecting soil and water samples and interpretation of results</p>
<b>KVK, HOSHIARPUR (Bahawal) (98157-51900)</b>
<p><b>April 09:</b> Eco-friendly approaches for insect pest and disease management  <b>April 10:</b> Raising mat type nursery for paddy transplanter  <b>April 12:</b> Summer management and feeding of dairy animals  <b>April 16:</b> Dietary management for lifestyle diseases  <b>April 18:</b> Micro-irrigation and fertigation in orchards  <b>April 19:</b> Improved plant protection practices in <i>kharif</i> crops  <b>April 23:</b> Preparation of feed for dairy animals  <b>April 26:</b> Method of collecting soil and water samples and interpretation of results  <b>April 30:</b> Improved cultivation techniques of <i>kharif</i> crops</p>
<b>KVK, JALANDHAR (Nurmahal) (01826-292053)</b>
<p><b>April 15:</b> Direct seeding of paddy/<i>basmati</i>- a resource conservation approach  <b>April 16:</b> Micro irrigation, fertigation and weed management practices in orchards  <b>April 18:</b> Identification and management of insect pests and diseases of vegetables and fruits  <b>April 22:</b> Machinery for cultivation of <i>kharif</i> and <i>rabi</i> crops  <b>April 24:</b> Formulation of balanced cattle feed  <b>April 26:</b> Safe use and handling of spraying equipments and farm machinery</p>
<b>KVK, KAPURTHALA (01822-233056)</b>
<p><b>April 04:</b> Role of green manuring to enhance soil health  <b>April 05:</b> Integrated Pest and Disease Management in <i>kharif</i> crops  <b>April 10:</b> Improved cultivation techniques of <i>kharif</i> crops  <b>April 15:</b> Safe use and handling of farm machinery  <b>April 16:</b> Personal hygiene and nutrition for adolescent girls  <b>April 18:</b> Cultivation of turmeric  <b>April 22:</b> Recommended machinery for sowing of <i>kharif</i> crops  <b>April 26:</b> Organic Farming</p>
<b>KVK, LUDHIANA (Samrala) (01628-261597)</b>
<p><b>April 09:</b> Improved cultivation practices of <i>kharif</i> crops  <b>April 10:</b> Role of green manuring to enhance soil health  <b>April 15:</b> Cultivation practices of millets  <b>April 18:</b> Food Safety and techniques to check food adulteration  <b>April 19:</b> Bio-agents and non-chemical methods for insect pest and disease management  <b>April 22-26:</b> Embellishment of clothes using modern and traditional techniques  <b>April 23:</b> Raising of mat type paddy nursery and mechanical transplanting</p>

<b>April 26:</b> Methods of soil sampling for fertilizer application and interpretation of results
<b>KVK, MANSA (01652-280843)</b>
<b>April 02:</b> Tips for successful cultivation of fruit plants <b>April 05:</b> Dietary management of lifestyle diseases <b>April 16:</b> Water saving technologies in agriculture <b>April 18:</b> Silage making for dairy animals during lean period <b>April 19:</b> Management of insect pests and diseases of major <i>kharif</i> crops <b>April 23:</b> Methods of collecting soil and water samples and interpretation of results
<b>KVK, MOGA (Budh Singh wala) (81465-00942)</b>
<b>April 04:</b> Cultivation of millets <b>April 05:</b> Dietary management of lifestyle diseases <b>April 09:</b> Small scale agro industry- a way to become an entrepreneur <b>April 10:</b> Nutritional recipes for young children and pregnant/lactating women <b>April 12:</b> Improved plant protection practices in <i>kharif</i> crops <b>April 16:</b> Methods of collecting soil and water samples and interpretation of results <b>April 22:</b> Water conservation techniques in <i>kharif</i> crops
<b>KVK, PATHANKOT (98762-95717)</b>
<b>April 04:</b> Soil health management through Organic Farming <b>April 12:</b> Efficient use of solar cooker at home <b>April 22:</b> Use of renewable energy sources at farm and house hold level <b>April 23:</b> Identification of physiological and nutrient deficiency disorders in fruit and vegetable crops <b>April 24:</b> Awareness and use of mineral mixture in dairy ration <b>April 29:</b> Integrated Nutrient Management in <i>kharif</i> crops
<b>KVK, PATIALA (Rauni) (94642-10460)</b>
<b>April 03:</b> Care and management of dairy animals during summer season <b>April 09:</b> Cultivation of millets, oilseeds and summer pulses for crop diversification <b>April 10:</b> Identification and management of stored grain pests <b>April 18:</b> Improved practices for cultivation of turmeric <b>April 22-26:</b> Embellishment of clothes using modern and traditional techniques <b>April 23:</b> Bio-agents and non-chemical methods for disease and pest control <b>April 24:</b> Cultivation of summer mushrooms <b>April 25:</b> Establishment of agro-processing units <b>April 26:</b> Drudgery reduction technologies in household and farm activities <b>April 29:</b> Methods of collecting soil and water samples and interpretation of results
<b>KVK, ROPAR (01881-220460)</b>
<b>April 01:</b> Fertilizer management in <i>Poplar</i> and <i>Eucalyptus</i> <b>April 02:</b> Summer management and feeding of dairy animals <b>April 03:</b> Formulation of balanced feed for dairy animals <b>April 04:</b> Improved practices for cultivation of turmeric <b>April 05:</b> Methods of collecting soil and water samples and interpretation of results <b>April 09:</b> Solar cooker and solar dryer as renewable sources of energy <b>April 10:</b> Micro irrigation, fertigation and weed management practices in orchards <b>April 12:</b> Cultivation of millets, oilseeds and summer pulses for crop diversification
<b>KVK, SANGRUR (Kheri) (01672-245320)</b>
<b>April 22-26:</b> Poultry Farming <b>April 26:</b> Cultivation of summer mushrooms <b>April 29:</b> Integrated Pest and Disease Management in <i>kharif</i> crops <b>April 30:</b> Management of pink boll worm and whitefly in <i>Bt</i> cotton
<b>KVK, SHAHEED BHAGAT SINGH NAGAR (Langroya) (01823-250652)</b>
<b>April 02:</b> Small scale agro-industry-a way to become an entrepreneur <b>April 03:</b> Dietary management of lifestyle diseases

**April 04:** Integrated Pest and Disease Management in *kharif* crops  
**April 05:** Identification and management of insect pests and diseases of fruits and vegetables  
**April 18:** Organic Manures  
**April 19:** Formulation of balanced cattle feed

**KVK , SRI MUKTSAR SAHIB (Goneana) (94630-22203)**

**April 03:** Importance of cultural practices to manage whitefly in cotton  
**April 04:** Cultivation of cotton for crop diversification  
**April 05:** Dietary management of lifestyle diseases  
**April 09:** Integrated Pest and Disease Management in *kharif* crops  
**April 10:** Management of stored grain pests  
**April 18:** Importance and scope of millet cultivation  
**April 19:** Marketing of *rabi* crops  
**April 22-26:** Techniques of tie and dye  
**April 23:** Improved cultivation techniques of *kharif* crops  
**April 24:** Summer management and feeding of dairy animals  
**April 25:** Importance of soil and water testing

**SKILL DEVELOPMENT CENTRE (0161-2401960 Ext 261)**

**April 04:** Vocational and career development programme for school going children  
**April 09-10:** Cultivation of millets  
**April 22-26:** Development of entrepreneurial skills in baking and confectionary

Compiled by: Dr Inderpreet Kaur Boparai and Dr Manoj Sharma
