

**1: Qualifications for the post of University Librarian**

- i) Ph.D. in the discipline of Library and Information Science.
- ii) Master's degree in Library and Information Science with atleast 60% marks or equivalent.
- iii) Bachelor's degree in Library and Information Science with atleast 60% marks or equivalent
- iv) Twelve years' experience in library management and teaching in a University Library out of which atleast five years must be as Professor and equivalent.
- v) Evidence of innovative library services including integration of ICT in library, publications preferably in relation to agricultural research and education.
- vi) Administrative experience, leadership, ability and capacity to organize and supervise the work of others.
- vii) Matric level certificate of Punjabi language of Punjab School Education Board or any other equivalent. (If not, the candidate is required to pass the same within one year of appointment).

**2 Qualifications for the post of Additional Director of Research (Agricultural Engineering)**

- I. Bachelor's degree in Engineering.
- II. Master's degree in Engineering.
- III. Ph.D. in Engineering with good academic record.
- IV. At least 60% marks at Bachelor's level and 65% marks or OCPA of 6.50 out of 10.00 at Master's level or equivalent.
- V. Twelve years' experience in teaching/research/extension in an Agricultural Engineering College/institute out of which, at least 5 years must be as Professor & equivalent.
- VI. Substantial contributions to research as evidenced by quality of papers published in professional journals of repute and/or adoption of results of research/innovations.
- VII. Administrative experience, leadership, ability and capacity to organize and supervise the work of others.
- VIII. Matric level certificate of Punjabi language from Punjab School Education Board or any other equivalent.

**Desirable:**

- I. Research experience in the field of Agricultural Engineering/Agricultural Sciences.

**Job Responsibilities:**

- I. To assist the Director of Research in planning, monitoring and coordinating scientific research on various aspects across the colleges in PAU campus and outstations.
- II. To motivate faculties to write new research projects and to review the synopsis of PG students.
- III. To compile material for the research reports.
- IV. To perform such other duties as entrusted by the Director of Research from time to time.

**3: Qualifications for the post of Additional Director of Extension Education**

- i) B.Sc./ B.Sc.(Agri.)/ B.Sc.(Home Science)/ B.Tech./B.V.Sc/B.V.Sc. & A.H. at least with second division.
- ii) Ph.D. in any discipline of Agriculture with good academic record.
- iii) 12 years' experience in research/ teaching/extension in Agriculture in College/Institution out of which, at least 5 years must be as Professor/equivalent, Administrative experience, leadership, ability and capacity to organize and supervise the work of others.
- iv) Substantial contributions to extension education/ research and scholarship as evidenced by the innovations in extension education/teaching/ quality of papers published in professional journals of repute, adoption of results of research.
- v) Matric level certificate of Punjabi language. (If not, the candidate is required to pass the same within one year of appointment).

#### **4 Qualifications for the post of Additional Director Communication**

- i) At least second division at Bachelor's level and 65% marks or OCPA of 6.50 out of 10.00 at Master's level.
- ii) Ph.D. in any branch of Agriculture/Journalism/ Mass Communication/ Journalism and Mass Communication /Languages/Social Sciences. However, candidate(s) with Master's degree in above subjects having outstanding contributions can also be considered.
- iii) 12 years' experience in the relevant field in an institution/ organization for the candidates holding Ph.D. degree. For candidate(s) with Master's degree, the experience required is 15 years. Out of the total experience, at least five years must be at Professor level or holding a senior managerial position. Administrative experience, leadership, ability and capacity to organize and supervise the work of others.
- iv) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language). (If not, the candidate is required to pass the same within one year of appointment).

#### **Desirable:**

Substantial contribution in Agricultural Communication/ Journalism/Public Relations supported by evidence.

#### **Job Responsibilities:**

- i) To plan, organize and direct overall communication strategies and public information activities, and implement programmes for dissemination of technologies developed by the University.
- ii) To coordinate/provide logistical support in organizing local, national and international events primarily aimed at raising the visibility of the University.
- iii) To perform such other duties as entrusted from time to time.

**5 Qualifications for the post of Biochemist**

- i) B.Sc. Medical/B.Sc.(Hons) with any Biological Science /B.Sc Biochemistry/B.Sc. Agri./ /B.Sc. Agri (Hons.)/ B.Sc. (Biotechnology) (Hons.)/B.Sc. Horti./B.Sc. Forestry/ B.Sc. Food Technology/ B.Tech. Food Technology.
- ii) Master's degree in Biochemistry.
- iii) At least 60% marks or OCPA of 6.00 out of 10.0 at Bachelor's and Master's level.
- iv) Must have qualified National Eligibility Test (NET) in the relevant discipline conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in relevant subject but possesses Ph.D. degree in these disciplines shall be eligible for the post.

**Note 2:** The candidate shall be exempted from passing NET provided;

The candidate holds Doctorate degree in the relevant subject required at Master's level with course work as prescribed by the UGC Regulations, 2009 and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications

OR

- The candidate has completed Ph.D without course work from among 300 top ranking foreign Universities of the world as per QS or THE World ranking and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only the research papers published or accepted for publications by the last date of submission of application will be considered.

**Note 5:** The candidate should have cleared 4 years degree programme at Graduation/Bachelor's level except degree in Basic Science & Social Science.

- The candidates who have completed Bachelor degree in 3 years should have cleared their deficiency courses in relevant subjects of Bachelor's degree during their Master's degree or should have completed one year duration Hons./Bridged/special programme etc.

**The Research papers will be rated on the basis of NAAS score for the year in which papers were published.**

**Job Responsibilities:**

- i) To undertake research/teaching/extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**6 Qualifications for the post of Biochemist (Rice)**

- i) B.Sc.(Medical)/B.Sc.(Hons.) with any Biological Science/B.Sc.(Biochemistry)/B.Sc. (Agri.)/B.Sc Agri (Hons.)/ B.Sc. Biotechnology (Hons.)/B.Sc. (Horticulture)/ B.Sc. (Forestry)/B.Sc (Food Technology)/B.Tech (Food Technology)/B.Sc. (Biotechnology) in Plant Sciences/B. Tech Biotechnology in Plant Sciences.
- ii) Master's degree in Biochemistry.
- iii) At least 60% marks or OCPA of 6.00 out of 10.0 at Bachelor's and Master's level.
- iv) Must have qualified National Eligibility Test (NET) in the relevant disciplines conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in relevant subject but possesses Ph.D. degree in the discipline required at Master's level shall be eligible for the post.

**Note 2:** The candidate shall be exempted from passing NET provided;

The candidate holds Doctorate degree in the relevant subject required at Master's level with course work as prescribed by the UGC Regulations, 2009 and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications

OR

- The candidate has completed Ph.D without course work from among 300 top ranking foreign Universities of the world as per QS or THE World ranking and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only the research papers published or accepted for publications by the last date of submission of application will be considered.

**Note 5:** The candidate should have cleared 4 years degree programme at Graduation/Bachelor's level except degree in Basic Science & Social Science.

- The candidates who have completed B.Sc degree in 3 years should have cleared their deficiency courses in relevant subjects of Bachelor's degree during their Master's degree or should have completed one year duration Hons./Bridged/special programme etc.
- The candidates who have done B. Sc. (Biotechnology) in Plant Sciences / B.Tech. Biotechnology in Plant Sciences should have cleared deficiency courses of bachelor's degree in relevant subject(s) during their master's degree or should have completed one year duration Hons./Bridged/special programme etc.

**The Research papers will be rated on the basis of NAAS score for the year in which papers were published.**

**Job Responsibilities:**

- i) To undertake research/teaching/extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**7 Qualifications for the post of Scientist (Soil and Water Engineering)**

- i) Bachelor's degree in Agricultural Engineering/Civil Engineering
- ii) Master's degree in Soil & Water Engineering.
- iii) At least 60% marks at Bachelor's level and 65% marks or OCPA of 6.50 out of 10.0 at Master's level.
- iv) Must have qualified National Eligibility Test (NET) in the relevant discipline conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in relevant subject but possesses Ph.D. degree in these disciplines shall be eligible for the post.

**Note 2:** The candidate shall be exempted from passing NET provided;

The candidate holds Doctorate degree in the relevant subject required at Master's level with course work as prescribed by the UGC Regulations, 2009 and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications  
OR

- The candidate has completed Ph.D without course work from among 300 top ranking foreign Universities of the world as per QS or THE World ranking and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only the research papers published or accepted for publications by the last date of submission of application will be considered.

**Note 5:** The candidate should have cleared 4 years degree programme at Graduation/Bachelor's level.

- The candidates who have completed Bachelor degree in 3 years should have cleared their deficiency courses in relevant subjects of Bachelor's degree during their Master's degree or should have completed one year duration Hons./Bridged/special programme etc.

**The Research papers will be rated on the basis of NAAS score for the year in which papers were published.**

**Job Responsibilities:**

- i) To undertake research/teaching/extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**8 Qualifications of the post of Plant Nematologist**

- i) B.Sc. (Agri.)/B.Sc. (Med.)/B.Sc. (Hons.)/B.Sc. (Biotechnology) in Plant Science or B. Tech Biotechnology in Plant Sciences.
- ii) Master's degree in Nematology or Plant Pathology/Entomology with specialization in Plant Nematology.
- iii) At least 60% marks at Bachelor's level and 65% marks or OCPA of 6.50 out of 10.0 at Master's level.
- iv) Must have qualified National Eligibility Test (NET) in the relevant disciplines conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in relevant subject but possesses Ph.D. degree in the disciplines required at Master's level shall be eligible for the post.

**Note 2:** The candidate shall be exempted from passing NET provided;

The candidate holds Doctorate degree in the relevant subject required at Master's level with course work as prescribed by the UGC Regulations, 2009 and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications  
OR

- The candidate has completed Ph.D without course work from among 300 top ranking foreign Universities of the world as per QS or THE World ranking and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only the research papers published or accepted for publications by the last date of submission of application will be considered.

**Note 5:** The candidate should have cleared 4 years degree programme at Bachelor's level.

- The candidates who have completed Bachelor degree in 3 years should have cleared their deficiency courses in relevant subjects of Bachelor's degree during their Master's degree or should have completed one year duration Hons./Bridged/special programme etc.
- The candidates who have done B. Sc. (Biotechnology) in Plant Sciences / B.Tech. Biotechnology in Plant Sciences should have cleared deficiency courses of bachelor's degree in relevant subject(s) during their master's degree or should have completed one year duration Hons./Bridged/special programme etc.

**The Research papers will be rated on the basis of NAAS score for the year in which papers were published.**

**Job Responsibilities:**

- i) To undertake research/teaching/extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**9 Qualifications for the post of Botanist (Taxonomy)**

- i) B.Sc. Medical/B.Sc.(Hons) with Botany/B.Sc Botany/B.Sc(Agri)/B.Sc. Biotech in Plant Sciences/B.Tech. Biotech. in Plant Sciences/ B.Sc. Hort./B.Sc. Forestry.
- ii) Master's degree in Botany/Plant Physiology/Crop Physiology/Taxonomy.  
**Desirable: Specialization in Taxonomy**
- iii) At least 60% marks or OCPA of 6.00 out of 10.0 at Bachelor's and Master's level.
- iv) Must have qualified National Eligibility Test (NET) in the relevant discipline conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Must have passed Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in relevant subject but possesses Ph.D. degree in these disciplines shall be eligible for the post.

**Note 2:** The candidate shall be exempted from passing NET provided;

The candidate holds Doctorate degree in the relevant subject required at Master's level with course work as prescribed by the UGC Regulations, 2009 and has minimum 2 research publications in the journal with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications

OR

- The candidate has completed Ph.D without course work from among 300 top ranking foreign Universities of the world as per QS or THE World ranking and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only the research papers published or accepted for publications by the last date of submission of application will be considered.

**Note 5:** The candidate should have cleared 4 years degree programme at Graduation/Bachelor's level except degree in Basic Science & Social Science.

- The candidates who have completed Bachelor degree in 3 years should have cleared their deficiency courses in relevant subjects of Bachelor's degree during their Master's degree or should have completed one year duration Hons./Bridged/special programme etc.
- The candidates who have done B. Sc. (Biotechnology) in Plant Sciences / B.Tech. Biotechnology in Plant Sciences should have cleared deficiency courses of bachelor's degree in relevant subject(s) during their Master's degree or should have completed one year duration Hons./Bridged/special programme etc.

**The Research papers will be rated on the basis of NAAS score for the year in which papers were published.**

**Job Responsibilities:**

- i) To undertake research/teaching/extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**10 Qualifications for the post of Scientist (Renewable Energy Engineering)**

- i) Bachelor's degree in Mechanical Engineering/ Chemical Engineering/ Civil Engineering/ Agricultural Engineering/Renewable Energy Engineering
- ii) M.Tech. in Renewable Energy Engineering  
**or**  
M.Tech. with specialization in Renewable Energy in any of the following branch: Energy Science and Technology/Mechanical Engineering/Civil Engineering/ Farm Machinery and Power Engineering/ Processing and Food Engineering
- iii) At least 60% marks at Bachelor's level and 65% marks or OCPA of 6.50 out of 10.0 at Master's level.
- iv) Must have qualified National Eligibility Test (NET) in the relevant discipline conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language)

**Note 1:** A candidate, who does not possess Master's degree in relevant subject but possesses Ph.D. degree in these disciplines shall be eligible for the post.

**Note 2:** The candidate shall be exempted from passing NET provided;  
The candidate holds Doctorate degree in the relevant subject required at Master's level with course work as prescribed by the UGC Regulations, 2009 and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications

**OR**

- The candidate has completed Ph.D without course work from among 300 top ranking foreign Universities of the world as per QS or THE World ranking and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only the research papers published or accepted for publications by the last date of submission of application will be considered.

**Note 5:** The condition of having qualified National Eligibility Test (NET) at Sr. No.(iv) will be relaxable in the subjects of Mechanical Engineering, Mechatronics, Computer Sciences & Engineering, Civil Engineering and Electrical Engineering or disciplines in which NET is not held.

**Note 6:** The candidate should have cleared 4 years' degree programme at Graduation/Bachelor Level.

**The Research papers will be rated on the basis of NAAS score for the year in which papers were published.**

**Job Responsibilities:**

- i) To undertake research/teaching/extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**11 Qualifications for the post of Plant Pathologist (at outstation)**

- i) B.Sc. (Agri.)/B.Sc (Forestry)/B.Sc. (Hort.)/B.Sc. (Med.)/B.Sc. (Biotechnology) in Plant Science/B. Tech Biotechnology in Plant Sciences.
- ii) Master's degree in Plant Pathology.
- iii) At least 60% marks at Bachelor's level and 65% marks or OCPA of 6.50 out of 10.0 at Master's level.
- iv) Must have qualified National Eligibility Test (NET) in the relevant disciplines conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in relevant subject but possesses Ph.D. degree in these disciplines shall be eligible for the post.

**Note 2:** The candidate shall be exempted from passing NET provided;

The candidate holds Doctorate degree in the relevant subject required at Master's level with course work as prescribed by the UGC Regulations, 2009 and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications

OR

- The candidate has completed Ph.D without course work from among 300 top ranking foreign Universities of the world as per QS or THE World ranking and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only the research papers published or accepted for publications by the last date of submission of application will be considered.

**Note 5:** The candidate should have cleared 4 years degree programme at Graduation/Bachelor's level.

- The candidates who have completed Bachelor degree in 3 years should have cleared their deficiency courses in relevant subjects of Bachelor's degree during their Master's degree or should have completed one year duration Hons./Bridged/special programme etc.
- The candidates who have done B. Sc. (Biotechnology) in Plant Sciences / B.Tech. Biotechnology in Plant Sciences should have cleared deficiency courses of bachelor's degree in relevant subject(s) during their master's degree or should have completed one year duration Hons./Bridged/special programme etc.

**The Research papers will be rated on the basis of NAAS score for the year in which papers were published.**

**Job Responsibilities:**

- i) To undertake research/teaching/extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

## 12 Qualifications for the post of Economist (Outstation)

- i) B.Sc.(Agriculture)/B.Sc. Economics/B.Sc. (Horticulture)/ B.Sc. (Agri. MaCo)/ B.Com. /B.A. Hons. with Economics/B.Sc. (Hons.) in Economics /B.A. with Economics.
- ii) Master's degree in Agricultural Economics/Economics.
- iii) At least 60% marks or OCPA of 6.00 out of 10.0 at Bachelor's and Master's level.
- iv) Must have qualified National Eligibility Test (NET) conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in the relevant subject but possesses Ph.D. degree in the discipline required at Master's level, shall be eligible for the post.

**Note 2:** The candidate shall be exempted from passing NET provided;

The candidate holds Doctorate degree in the relevant subject required at Master's level with course work as prescribed by the UGC Regulations, 2009 and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications

OR

The candidate has completed Ph.D without course work from among 300 top ranking foreign Universities of the world as per QS or THE World ranking and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

**Note 3 :** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only the research papers published or accepted for publications by the last date of submission of application will be considered.

**The Research papers will be rated on the basis of NAAS score for the year in which papers were published.**

### Job Responsibilities:

- i) To undertake research/teaching/extension activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**13 Qualifications for the post of Scientist (Cotton Technology) (Outstation)**

- i) B.Sc (Non-Medical) or Bachelor in Textile Technology/Textile Engineering/Textile Chemistry.
- ii) Master's degree in Textile Technology/Textile Engineering/Textile Chemistry.
- iii) At least 60% marks at Bachelor's level and 65% marks or OCPA of 6.50 out of 10.0 at Master's level.
- iv) Must have qualified National Eligibility Test (NET) in the relevant disciplines conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in the relevant subject but possesses Ph.D. degree in the discipline required at Master's level shall be eligible for the post.

**Note 2:** The candidate shall be exempted from passing NET provided;

The candidate holds Doctorate degree in the relevant subject required at Master's level with course work as prescribed by the UGC Regulations, 2009 and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications

OR

- The candidate has completed Ph.D without course work from among 300 top ranking foreign Universities of the world as per QS or THE World ranking and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

**Note 3 :** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only the research papers published or accepted for publications by the last date of submission of application will be considered.

**The Research papers will be rated on the basis of NAAS score for the year in which papers were published.**

**Job Responsibilities:**

- i) To undertake research/teaching/extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**14 Qualifications for the post of Plant Breeder (Outstation)**

- i) B.Sc. (Agri.)/B.Sc (Hort.)/ B.Sc (Forestry)/ B.Sc. (Med.)/ B.Sc. (Biotechnology)/ B.Sc (Hons)/ B.Sc. (Biotechnology) in Plant Science/B. Tech Biotechnology in Plant Sciences.
- ii) Master's degree in Plant Breeding/Plant Breeding & Genetics/Genetics with specialization in Crop Plants.
- iii) At least 60% marks at Bachelor's level and 65% marks or OCPA of 6.50 out of 10.0 at Master's level.
- iv) Must have qualified National Eligibility Test (NET) in the relevant disciplines conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in relevant subject but possesses Ph.D. degree in the disciplines required at Master's level shall be eligible for the post.

**Note 2:** The candidate shall be exempted from passing NET provided;

The candidate holds Doctorate degree in the relevant subject required at Master's level with course work as prescribed by the UGC Regulations, 2009 and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications

OR

- The candidate has completed Ph.D without course work from among 300 top ranking foreign Universities of the world as per QS or THE World ranking and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only the research papers published or accepted for publications by the last date of submission of application will be considered.

**Note 5:** The candidate should have cleared 4 years degree programme at Bachelor's level.

- The candidates who have completed Bachelor degree in 3 years should have cleared their deficiency courses in relevant subjects of Bachelor's degree during their Master's degree or should have completed one year duration Hons./Bridged/special programme etc.
- The candidates who have done B. Sc. (Biotechnology) in Plant Sciences / B.Tech. Biotechnology in Plant Sciences should have cleared deficiency courses of bachelor's degree in relevant subject(s) during their master's degree or should have completed one year duration Hons./Bridged/special programme etc.

**The Research papers will be rated on the basis of NAAS score for the year in which papers were published.**

**Job Responsibilities:**

- i) To undertake research/teaching/extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**15 Advertisement for the post of Assistant Professor (Mathematics)**

- i) B.Sc/ B.A. with mathematics
- ii) Master's degree in mathematics.
- iii) At least 60% marks or OCPA of 6.00 out of 10.0 at Bachelor's and Master's level.
- iv) Must have qualified National Eligibility Test (NET) in the relevant discipline conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Must have passed Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in relevant subject but possesses Ph.D. degree in the discipline shall be eligible for the post.

**Note 2:** The candidate shall be exempted from passing NET provided;

The candidate holds Doctorate degree in the relevant subject required at Master's level with course work as prescribed by the UGC Regulations, 2009 and has minimum 2 research publications in the journal with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications

OR

- The candidate has completed Ph.D without course work from among 300 top ranking foreign Universities of the world as per QS or THE World ranking and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only the research papers published or accepted for publications by the last date of submission of application will be considered.

**The Research papers will be rated on the basis of NAAS score for the year in which papers were published.**

**Job Responsibilities:**

- i) To undertake teaching /research /extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**16 Qualifications for the post of Assistant Professor (Statistics)**

- i) Graduate with Mathematics/Statistics.
- ii) Master's degree in Statistics/Agricultural Statistics.
- iii) At least 60% marks or OCPA of 6.00 out of 10.0 at Bachelor's and Master's level.
- iv) Must have qualified National Eligibility Test (NET) in the relevant discipline conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Must have passed Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in relevant subject but possesses Ph.D. degree in these disciplines shall be eligible for the post.

**Note 2:** The candidate shall be exempted from passing NET provided;

The candidate holds Doctorate degree in the relevant subject required at Master's level with course work as prescribed by the UGC Regulations, 2009 and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications

OR

- The candidate has completed Ph.D without course work from among 300 top ranking foreign Universities of the world as per QS or THE World ranking and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only the research papers published or accepted for publications by the last date of submission of application will be considered.

**The Research papers will be rated on the basis of NAAS score for the year in which papers were published.**

**Job Responsibilities:**

- i) To undertake teaching /research /extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**17 Qualifications for the post of Assistant Professor (Physics)**

- i) Bachelor's degree with Physics.
- ii) Master's degree in Physics.
- iii) At least 60% marks or OCPA of 6.00 out of 10.00 at Bachelor's and Master's level.
- iv) Must have qualified National Eligibility Test (NET) in the relevant discipline conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Must have passed Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in relevant subject but possesses Ph.D. degree in this disciplines shall be eligible for the post.

**Note 2:** The candidate shall be exempted from passing NET provided;

The candidate holds Doctorate degree in the relevant subject required at Master's level with course work as prescribed by the UGC Regulations, 2009 and has minimum 2 research publications in the journal with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications

OR

- The candidate has completed Ph.D without course work from among 300 top ranking foreign Universities of the world as per QS or THE World ranking and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only the research papers published or accepted for publications by the last date of submission of application will be considered.

**The Research papers will be rated on the basis of NAAS score for the year in which papers were published.**

**Job Responsibilities:**

- i) To undertake teaching /research/extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**18 Qualifications for the post of Assistant Professor (Apparel & Textile Science)**

- i) B.Sc (Hons) Home Science/Community Science/Fashion Designing
- ii) M.Sc in Clothing and Textiles/Apparel & Textile Science /Fashion Designing.  
At least 60% marks or OCPA of 6.00 out of 10.0 at Bachelor's and Master's level.
- iii) Must have qualified National Eligibility Test (NET) in the relevant discipline conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal with more than **4.5 NAAS rating** or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- iv) Must have passed Matric level certificate of **Punjabi language** from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in the relevant subject but possesses Ph.D. degree in the discipline required at Master's Level, shall be eligible for the post

**Note 2:** The candidate shall be exempted from passing NET provided:

The candidate holds Doctorate degree in the relevant subject required at Master's level, with course work as prescribed by the UGC regulations 2009 and has minimum 2 research publications in the journals with more than 4.5 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

OR

- The candidate has completed Ph.D. without course work from among 300 top ranking foreign Universities of the world as per QS or The World ranking and has minimum 2 research publications in the journals with more than 4.5 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only the research papers published or accepted for publications by the last date of submission of application will be considered.

**Note 5:** The candidate should have cleared 4 years degree programme at Graduation /Bachelor's level except degree in Basic Science & Social Science

- The candidates who have completed Bachelor degree in 3 years should have cleared their deficiency courses in relevant subjects of Bachelor's degree during their Master's degree or should have completed one year duration Hons./Bridged/special programme etc.

**Note 6:** The candidates who have done B.Sc. Home Science in 5 years after Matric or B.Sc. Fashion Designing in 3 years after 10+2 prior to 2015 are also eligible to apply.

**The Research papers will be rated on the basis of NAAS score for the year in which papers were published.**

**Job Responsibilities:**

- i) To undertake teaching/ research/extension education/ activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**19 Qualifications for the post of Assistant Professor (Zoology)**

- i) B.Sc/B.Sc. (Agri.).
- ii) Master's degree in Zoology.
- iii) At least 60% marks or OCPA of 6.00 out of 10.00 at Bachelor's and Master's level.
- iv) Must have qualified National Eligibility Test (NET) in the relevant disciplines conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in relevant subject but possesses Ph.D. degree in the disciplines required at Master's level shall be eligible for the post.

**Note 2:** The candidate shall be exempted from passing NET provided;

The candidate holds Doctorate degree in the relevant subject required at Master's level with course work as prescribed by the UGC Regulations, 2009 and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications

OR

- The candidate has completed Ph.D without course work from among 300 top ranking foreign Universities of the world as per QS or THE World ranking and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only the research papers published or accepted for publications by the last date of submission of application will be considered.

**Note 5:** The candidate should have cleared 4 years degree programme at Graduation /Bachelor's level except degree in Basic Sciences & Social Science

**The Research papers will be rated on the basis of NAAS score for the year in which papers were published.**

**Job Responsibilities:**

- i) To undertake teaching/ research/extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**20 Qualifications for the post of Assistant Professor (Chemistry)**

- i) Bachelor's degree in Science
- ii) Master's degree in Chemistry
- iii) At least 60% marks or OCPA of 6.00 out of 10.00 at Bachelor's and Master's level.
- iv) Must have qualified National Eligibility Test (NET) in the relevant discipline conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in Chemistry but possesses Ph.D. degree in the disciplines required at Master's level shall be eligible for the post.

**Note 2:** The candidate shall be exempted from passing NET provided;

The candidate holds Doctorate degree in the relevant subject required at Master's level with course work as prescribed by the UGC Regulations, 2009 and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications

OR

- The candidate has completed Ph.D without course work from among 300 top ranking foreign Universities of the world as per QS or THE World ranking and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only the research papers published or accepted for publications by the last date of submission of application will be considered.

**The Research papers will be rated on the basis of NAAS score for the year in which papers were published.**

**Job Responsibilities:**

- i) To teach UG/PG classes of Chemistry.
- ii) Research/Extension Education work in Chemistry.
- iii) Any other duty that may be assigned from time to time.

**21 Qualifications for the post of Assistant Professor (Botany)**

- i) B.Sc.(Medical)/B.Sc.(Hons.) with Botany/B.Sc.(Botany)/B.Sc. (Agri.)/B.Sc (Hort.)/ B.Sc. (Forestry)/ B.Sc. Biotechnology (Hons.)/B.Sc. (Biotechnology) in Plant Sciences/B. Tech Biotechnology in Plant Sciences.
- ii) Master's degree in Botany.
- iii) At least 60% marks or OCPA of 6.00 out of 10.00 at Bachelor's and Master's level.
- iv) Must have qualified National Eligibility Test (NET) in the relevant disciplines conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in relevant subject but possesses Ph.D. degree in the discipline required at Master's level shall be eligible for the post.

**Note 2:** The candidate shall be exempted from passing NET provided;

The candidate holds Doctorate degree in the relevant subject required at Master's level with course work as prescribed by the UGC Regulations, 2009 and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications

OR

- The candidate has completed Ph.D without course work from among 300 top ranking foreign Universities of the world as per QS or THE World ranking and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only the research papers published or accepted for publications by the last date of submission of application will be considered.

**Note 5:** The candidate should have cleared 4 years degree programme at Graduation/Bachelor's level except degree in Basic Science & Social Science.

- The candidates who have completed B.Sc degree in 3 years should have cleared their deficiency courses in relevant subjects of Bachelor's degree during their Master's degree or should have completed one year duration Hons./Bridged/special programme etc.
- The candidates who have done B. Sc. (Biotechnology) in Plant Sciences / B.Tech. Biotechnology in Plant Sciences should have cleared deficiency courses of bachelor's degree in relevant subject(s) during their master's degree or should have completed one year duration Hons./Bridged/special programme etc.

**The Research papers will be rated on the basis of NAAS score for the year in which papers were published.**

**Job Responsibilities:**

- i) To undertake teaching /research /extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**22: Qualifications for the post of Assistant Professor (Food & Nutrition)**

- i) B.Sc (Hons) Home Science/B.Sc. (Hons.) Community Science/B.Sc (Hons) Nutrition & Dietetics
- ii) M.Sc in Food & Nutrition.  
At least 60% marks or OCPA of 6.00 out of 10.00 at Bachelor's and Master's level.
- iii) Must have qualified National Eligibility Test (NET) in the relevant discipline conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal **with more than 4.5 NAAS rating** or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications
- iv) Must have passed Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language)

**Note 1:** A candidate, who does not possess Master's degree in the relevant subject but possesses Ph.D. degree in these disciplines, shall be eligible for the post.

**Note 2:** The candidate shall be exempted from passing NET provided:

-The candidate holds Doctorate degree in the relevant subject required at Master's level, with course work as prescribed by the UGC regulations 2009 and has minimum 2 research publications in the journals with more than 4.5 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

OR

- The candidate has completed Ph.D. without course work from among 300 top ranking foreign Universities of the world as per QS or The World ranking and has minimum 2 research publications in the journals with more than **4.5 NAAS rating or with Clarivate Analytics (CA) impact factor** or the journals approved by the University for publications.

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only the research papers published or accepted for publications by the last date of submission of application will be considered.

**Note 5:** The candidate should have cleared 4 years degree programme at Graduation /Bachelor's level

- The candidates who have completed Bachelor degree in 3 years should have cleared their deficiency courses in relevant subjects of Bachelor's degree during their Master's degree or should have completed one year duration Hons./Bridged/special programme etc.

**The Research papers will be rated on the basis of NAAS score for the year in which papers were published.**

**Job Responsibilities:**

- i) To undertake teaching/ research/extension education/ activities.
- ii) To take initiatives for developing competitive research projects and secure research.
- iii) Any other duty that may be assigned from time to time.

## 23 Qualifications for the post of Assistant Professor (English)

- i) Bachelor's degree in any discipline
- ii) Master's degree in English
- iii) At least 60% marks or OCPA of 6.00 out of 10.0 at Bachelor's and at least 55% marks at Master's level
- iv) Must have qualified National Eligibility Test (NET) in the relevant discipline conducted by UGC along with one publication in referred/peer reviewed journals with ISSN/ISBN number
- v) Must have passed Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board or any other recognized Board (as first or second language)

**Note 1:** A candidate, who does not possess Master's degree in relevant subject but possesses Ph.D. degree in these disciplines shall be eligible for the post

**Note 2:** The candidate shall be exempted from passing NET provided:

The candidate holds Doctorate degree in the relevant subject required at Master's level, with course work as prescribed by the UGC regulations 2009 and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications or peer-reviewed journals

OR

- The candidate has completed Ph.D. without course work from among 300 top ranking foreign Universities of the world as per QS or THE World ranking and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications or peer-reviewed journals.

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor

**Note 4:** Only the research papers published or accepted for publications by the last date of submission of application will be considered

**The Research papers will be rated on the basis of NAAS score for the year in which papers were published.**

### Job Responsibilities:

- i) He/She will teach courses in English.
- ii) Any other duty that may be assigned from time to time.

**24 Qualifications for the post of Assistant Professor (Journalism)**

- i) Bachelor's degree in any discipline
- ii) Master's degree in Journalism and Mass Communication/M.A. English with PG Diploma in Journalism and Mass Communication
- iii) At least 60% marks or OCPA of 6.00 out of 10.0 at Bachelor's and at least 55% marks at Master's level
- iv) Must have qualified National Eligibility Test (NET) in the relevant discipline conducted by UGC along with one publication in referred/peer reviewed journals with ISSN/ISBN number
- v) Must have passed Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board or any other recognized Board (as first or second language)

**Note 1:** A candidate, who does not possess Master's degree in relevant subject but possesses Ph.D. degree in these disciplines shall be eligible for the post

**Note 2:** The candidate shall be exempted from passing NET provided:

The candidate holds Doctorate degree in the relevant subject required at Master's level, with course work as prescribed by the UGC regulations 2009 and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications or peer-reviewed journals

OR

- The candidate has completed Ph.D. without course work from among 300 top ranking foreign Universities of the world as per QS or THE World ranking and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications or peer-reviewed journals.

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor

**Note 4:** Only the research papers published or accepted for publications by the last date of submission of application will be considered

Desirable Qualifications:-

- i) Knowledge of Media Management /Marketing.
- ii) Experience in Editing and content creation.
- iii) Any additional qualification in languages.

**The Research papers will be rated on the basis of NAAS score for the year in which papers were published.**

**Job Responsibilities:**

- i) He/She will teach courses in Journalism.
- ii) Any other duty that may be assigned from time to time.

**25 Qualifications for the post of Assistant Professor (Computer Science & Engineering)**

- i) B.Tech/B.E in Computer Science & Engineering /Information Technology /Computer Engineering /Computer Engineering and Application /Computer Networking /Computer Science and Information Technology /Computer Science and Technology /Computer Technology /Information Engineering /Information Science and Engineering /Information Science and Technology /Information Technology and Engineering/**Artificial Intelligence and/or Data Science**
- ii) M.Tech /M.E. in Computer Engineering /Computer Science and Engineering /Information Technology /Computer Engineering and Application /Computer Engineering and Networking /Computer Hardware and Networking /Computer Network Engineering/Computer Networking /Computer Networks /Computer Networks and Information Security /Computer Networks and Internet Security /Computer Science and Information Security /Computer Science and Information Technology /Computer Science and Technology /Computer Technology /Computer Technology and Applications /Computer Vision and Image Processing /Information Engineering /Information Science and Technology /Information Security /Information Technology and Engineering/**Artificial Intelligence and/or Data Science**
- iii) At least 60% marks at Bachelor's level and 65% marks or OCPA of 6.50 out of 10.0 at Master's level
- iv) Must have qualified National Eligibility Test (NET) in the relevant discipline conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language)

**Note 1:** A candidate, who does not possess Master's degree in the relevant subject but possesses Ph.D. degree in these disciplines shall be eligible for the post

**Note 2:** The candidate shall be exempted from passing NET provided:

The candidate holds Doctorate degree in the relevant subject required at Master's level, with course work as prescribed by the UGC regulations 2009 and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

**OR**

- The candidate has completed Ph.D. without course work from among 300 top ranking foreign Universities of the world as per QS or THE World ranking and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor

**Note 4:** Only the research papers published or accepted for publications by the last date of submission of application will be considered

**Note 5:** The condition of having qualified National Eligibility Test (NET) at Sr. No.(iv) will be relaxable in the subject of Computer Science & Engineering and Information Technology or disciplines in which NET is not held

**Desirable:** Knowledge of Artificial Intelligence, Machine Learning and Data Science Modeling Software.

**The Research papers will be rated on the basis of NAAS score for the year in which papers were published.**

**Job Responsibilities:**

- i) To undertake teaching/ research/extension education/ activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**26 Qualifications for the post of Assistant Professor (Business Management)**

- i) Bachelors in any discipline
- ii) MBA (Agribusiness) or Master's in Business Administration with specialization in Marketing Management/Financial Management /Information Technology-Networking /Management Information Systems/Technology Management/ Agribusiness Management /Digital Marketing
- iii) At least 60% marks or OCPA of 6.00 out of 10.0 at Bachelor's level and Master's level
- iv) Must have qualified National Eligibility Test (NET) in any discipline mentioned at Sr. No.ii) above conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications
- v) Must have passed Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language)

**Note 1:** A candidate who does not possess MBA with specified specialization in serial No.(ii) above but possesses Ph.D. degree in these disciplines shall be eligible for the post.

**Note 2:** The candidate shall be exempted from passing NET provided:  
The candidate holds Doctorate degree in the subject mentioned as per Sr.No.ii above, with course work as prescribed by the UGC regulations 2009 and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

OR

- The candidate has completed Ph.D. without course work from among 300 top ranking foreign Universities of the world as per QS or THE World ranking and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor

**Note 4:** Only those research papers published or accepted for publications by the last date of submission of application will be considered

**Note 5:** The candidate should have cleared 4 years degree programme at Graduation/Bachelor's level except degree in Basic Science, Social Science and Arts

**Desirable:** Experience of working with entrepreneurs with product development /branding / packaging/ labelling/marketing.

**The Research papers will be rated on the basis of NAAS score for the year in which papers were published.**

**Job Responsibilities:**

- i) To undertake teaching /research /extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**27 Qualifications for the post of Assistant Professor (Mechatronics)**

- i) Bachelor's degree in Mechatronics Engineering/ Mechanical Engineering /Production Engineering/Industrial Engineering /Electronics Engineering /Information Technology/ System Engineering/Telecommunication Engineering/Control Engineering.
- ii) Master's degree in Mechatronics Engineering.
- iii) At least 60% marks at Bachelor's level and 65% marks or OCPA of 6.50 out of 10.0 at Master's level.
- iv) Must have qualified National Eligibility Test (NET) in the relevant discipline conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language)

**Note 1:** A candidate, who does not possess Master's degree in the relevant subject but possesses Ph.D. degree **in these disciplines** shall be eligible for the post

**Note 2:** The candidate shall be exempted from passing NET provided:

The candidate holds Doctorate degree in the relevant subject required at Master's level, with course work as prescribed by the UGC regulations 2009 and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

OR

- The candidate has completed Ph.D. without course work from among 300 top ranking foreign Universities of the world as per QS or THE World ranking and has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor

**Note 4:** Only the research papers published or accepted for publications by the last date of submission of application will be considered.

**Note 5:** The condition of having qualified National Eligibility Test (NET) at Sr. No.(iv) will be relaxable in the subject of **Mechatronics Engineering**

**Desirable: Knowledge of Software in Mechatronics**

**The Research papers will be rated on the basis of NAAS score for the year in which papers were published.**

**Job Responsibilities:**

- i) To undertake teaching/ research/extension education/ activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**28 Qualifications for the post of Medical Officer (General)**

- i) MBBS or any equivalent degree recognized by the Medical Council of India obtained from a recognized University and registered as a Medical Practitioner with the Punjab State Medical Council or with any other Medical Council established by the law in India.
- ii) Matric level certificate of Punjabi language. (If not, the candidate is required to pass the same within one year of appointment).

**Desirable:** Preference will be given to M.D. with at least two years' experience.

- Note**
