Subject: Faculty training programme “Biotic and abiotic stress tolerance in plants under changing climatic conditions”

Dear Sir,

Under the Centre of Advanced Faculty Training in Genetics and Plant Breeding (ICAR), a training programme, “Biotic and abiotic stress tolerance in plants under changing climatic conditions” is being organized from 6.8.2019 to 26.8.2019 in the Department of Plant Breeding & Genetics, Punjab Agricultural University, Ludhiana for the teachers/scientists working in Agricultural Universities, ICAR Institutes, Agricultural Colleges etc. The objective of organizing the training programme is to bring about qualitative improvement and to update the knowledge of teachers/scientists in the field of Crop Improvement.

The training will comprise of lectures by various experts in their respective field of specialization from this University and also by invited experts from other Universities/Institutions. Young scientists in the field of genetic improvement of field crops, vegetables, flowering plants, and fruit trees can benefit greatly by acquiring knowledge on the latest technologies during this training. The experience will be useful for the trainees to transmit the technical knowledge to the students and faculty in their respective institutions.

A total of 25 scientists will be admitted to this training programme. The minimum academic qualification of the eligible candidates is M.Sc. in Plant Breeding/Genetics/Agricultural Botany/Vegetables, Flower and Fruit Crops.

The applicants should be preferably below 45 years of age on 30.6.2019 and should have at least two years of teaching/research experience. The selected candidates will be provided free boarding and lodging. To and fro traveling allowance (as per their eligibility) by the shortest route as admissible under PAU rules will be paid only to those candidates who cannot arrange the same from their sponsoring institutes.

It is, requested that the applications of deserving candidates may please be sent for this training programme in the enclosed format of application. The application should be submitted online using CBP portal through http://jasri.res.in/cbp or under the link Capacity Building Program at http://icar.org.in. After filling the online application, takeout a print out of the application and get it approved by the competent authority of your organization. Upload the scanned copy of the application through CBP portal and also email it to the Director CAFT at hodpbv@pau.edu with a copy at sklb-pbg@pau.edu. The complete applications for this training must reach this office on or before 12.7.2019. For any other information please contact Dr. S.K.Dhillon, Professor (Mob. 09417318173) or Dr. Dharminder Bhatia (Mob. 09780807861). The candidates are requested not to bring any family member with them.

With regards,

Sincerely yours,

[Signature]

Director CAFT

CC: 1. The SVC for the kind information of Hon’ble Vice-Chancellor, PAU, Ludhiana.
2. Deputy Director General (Education), Indian Council of Agricultural Research, Krishi Anushandhan Bhawan-II, Education Division, Pusa, New Delhi-110012.
