

**1. Qualifications for the post of Comptroller**

**(A)**

- (i) Graduate.
- (ii) Must have passed S.A.S. Examination held by the Comptroller and Auditor General of India/State Finance Department or Higher Standard Departmental Examination of the PAU.
- (iii) Must have 9 years' experience in a supervisory capacity in financial management/administration out of which he/she must have 4 years' experience of Accounts Officer/Deputy Registrar or equivalent in Govt./Public Sector preferably in a University.
- (iv) Matric level certificate of Punjabi language. (If not, the candidate is required to pass the same within one year of appointment).

**OR**

**(B)**

- (i) Graduate with second division and Chartered Accountant with 50% marks having 5 years' experience in the field of Financial Management in Govt./ Public/Private sector. In case of Private sector, the experience should be in Private Limited company having a minimum annual turnover of Rs.50.00 crore.
- (ii) Matric level certificate of Punjabi language. (If not, the candidate is required to pass the same within one year of appointment).

**Note:** The revised pay scales as intimated by the Punjab Govt. for this post will be applicable.

**2. Qualifications for the post of Dean, College of Basic Sciences & Humanities.**

- i) Ph. D. in any discipline of Basic Sciences/ Humanities/ Agricultural Sciences.
- ii) Master's degree in any discipline of Basic Sciences/ Humanities/ Agricultural Sciences.
- iii) Bachelor's degree in any discipline of Basic Sciences/ Humanities/ Agricultural Sciences.
- iv) At least second division at Bachelor's level and 65% marks or OCPA of 6.50 out of 10.00 at Master's level.
- v) Twelve years' experience in teaching/ research/ extension in Basic Sciences or Humanities in a College/ Institution out of which, atleast 5 years must be as Professor & equivalent.
- vi) Substantial contributions to teaching /research/extension and scholarship as evidenced by the teaching innovations/ quality of papers published in professional journals of repute, adoption of results of research/ extension education.
- vii) Administrative experience, leadership, ability and capacity to organize and supervise the work of others.
- viii) Matric level certificate of Punjabi language of Punjab School Education Board or any other equivalent (If not, the candidate is required to pass the same within one year of appointment).

**3. Qualifications for the post of Dean, College of Horticulture & Forestry.**

- i) Ph. D. in any discipline of Horticulture/Forestry.
- ii) Master's degree in any discipline of Horticulture/Forestry.
- iii) Bachelor's degree in Agriculture/Horticulture/Forestry/Biotechnology.
- iv) At least second division at Bachelor's level and 65% marks or OCPA of 6.50 out of 10.00 at Master's level.
- v) Twelve years' experience in teaching/ research/ extension in any discipline of Horticulture/Forestry in a College/ Institution out of which, atleast 5 years must be as Professor & equivalent.
- vi) Substantial contributions to teaching /research/extension and scholarship as evidenced by the teaching innovations/ quality of papers published in professional journals of repute, adoption of results of research/ extension education.
- vii) Administrative experience, leadership, ability and capacity to organize and supervise the work of others.
- viii) Matric level certificate of Punjabi language of Punjab School Education Board or any other equivalent (If not, the candidate is required to pass the same within one year of appointment).

**4. Qualification for the post of Director, Gurdev Singh Khush Institute of Genetics, Plant Breeding and Biotechnology.**

- i) B.Sc.Biotech./B.Sc.Agric./B.Sc (Medical)/B.Sc.(Hons.) in Biological Sciences.
- ii) Ph.D. in Biotechnology/Plant Breeding/Genetics/Plant Breeding and Genetics/ Vegetable Science/Fruit Science.
- iii) At least second division at Bachelor's level and 65% marks or OCPA of 6.50 out of 10.00 at Master's level.
- iv) Twelve Years' experience in research/teaching in relevant discipline, out of which, atleast 5 years must be as Professor/Equivalent.
- v) Experience of organizing, supervising and coordinating research in relevant disciplines.
- vi) Administrative experience, leadership ability and capacity to organize and supervise work of others.
- vii) Matric level certificate of Punjabi Language of Punjab School Education Board or any other equivalent agency (if not, candidate is required to pass the same within one year of appointment).

**Desirable:-**

- i) Experience of conducting research in Agri-biotechnology/crop genomics/ crop breeding as evidenced from publications in high impact scientific journals.
- ii) Administrative Experience.

**Job responsibilities:-**

- i) To establish state of the art laboratories in the Institute for developing world class facilities for application of advanced genomic technologies in crop breeding programmes.
- ii) Coordinating the integration of agricultural biotechnology research with crop breeding programmes for accelerated, targeted and precision breeding.
- iii) To attract R&D funding from Government and private agencies and to motivate faculty to write and secure competitive research grants
- iv) To perform such duties and any other duties assigned from time to time.

**5. Qualification for the post of Additional Director of Extension Education.**

- i) B.Sc./ B.Sc.(Agri.)/ B.Sc.(Home Science)/ B.Tech./B.V.Sc/B.V.Sc. & A.H. at least with second division.
- ii) Ph.D. in any discipline of Agriculture with good academic record.
- iii) 12 years' experience in research/ teaching/extension in Agriculture in College/Institution out of which, at least 5 years must be as Professor/equivalent, Administrative experience, leadership, ability and capacity to organize and supervise the work of others.
- iv) Substantial contributions to extension education/ research and scholarship as evidenced by the innovations in extension education / teaching/ quality of papers published in professional journals of repute, adoption of results of research.
- v) Matric level certificate of Punjabi language. (If not, the candidate is required to pass the same within one year of appointment).

**6. Qualifications for the post of Deputy Director (Training) (Outstation).**

- i). B.Sc. (Agri.)/B.Sc. (Hort.)/B.Sc. (Forestry)/B.Sc.(Med.)/B.Sc.(Hons.).
- ii). Ph.D. degree in any branch of Agriculture and allied science/discipline.
- iii). At least 60% marks at Bachelor level and 65% marks or OCPA of 6.50 out of 10.00 at Master's level.
- iv). Eight Years' experience in teaching/research/extension education in the relevant area at the level of Assistant Professor or equivalent. (The period spent in obtaining Ph.D. degree while in service or otherwise will not be counted towards experience for recruitment).
- v). Substantial contributions to research/extension and scholarship as evidenced by the quality of research/extension papers published. The candidate has published up to 4 research papers with cumulative NAAS rating not less than 12 and 16 good quality extension articles.
- vi). Must have passed matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Job Responsibilities:**

- i) To undertake extension /research/teaching activities.
- ii) To take initiative for developing research projects to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**Note 1:** The appointment to this post shall be co-terminus with the scheme, in which the post is provided.

**Note 2:** The post is for the tenure of four years and the candidate is eligible for maximum three terms of four years each as per decision taken by the BOM in its 297<sup>th</sup> meeting held on 19.06.2020.

**Note 3:** The academic level of the post of Deputy Director (Trg.) is 13A with rationalized entry pay of Rs 1,31,400/- as per revised pay scale. If the applicant with higher pay scale wants to apply for this post then his/her pay will be protected as per academic level-13A (old pay scale 37400-67000+AGP 9000/-)

**7. Qualifications for the post of Agro-Meteorologist (at Outstation).**

- i). B.Sc. (Agri.)/B.Sc. (Hort.)/B.Sc. (Forestry)/B.Sc./B.Sc. Biotechnology in Plant Sciences/B.Tech Biotechnology in Plant Sciences.
- ii). Master's degree in Agril. Meteorology/Agril. Physics with specialization in Agril. Meteorology.
- iii). At least 60% marks at Bachelor's level and 65% marks or OCPA of 6.50 out of 10.00 at Master's level.
- iv). Must have qualified National Eligibility Test (NET) in the relevant disciplines conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal and equivalent with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v). Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in the relevant subject but possesses Ph.D. degree in the discipline required at Master's level, shall be eligible for the post.

**Note 2:** The candidate holding Doctorate degree in the relevant subject required at Master's level shall be exempted from passing NET, provided, it has been done with course work as prescribed by the UGC regulations 2009.

**OR**

The candidate having completed Ph.D without course work from among 500 top ranking foreign Universities of the world as per QS or THE World ranking shall be exempted from NET, **and**

- The candidate has minimum 2 research publications in the journals each with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only those research papers will be considered that have been published or accepted for publications by the last date of submission of application.

**Note 5:** The candidate should have cleared 4 years degree programme at Graduation/Bachelor's level except degree in Basic Sciences.

- The candidates who have completed Bachelor degree in 3 years should have cleared either deficiency courses in relevant subjects of Bachelor's degree during their Master's degree or should have completed one year duration Hons./Bridged/Special programme etc.
- The candidates who have done B.Sc. Biotechnology in Plant Sciences/B.Tech Biotechnology in Plant Sciences should have cleared deficiency courses of bachelor's degree in relevant subject(s) during their master's degree or should have completed one year duration Hons./Bridged/Special programme etc.

**Job Responsibilities:**

- i) To undertake research/ teaching/extension activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**8. Qualifications for the post of Agricultural Economist.**

- B.Sc. (Agri.)/B. A with Economics/B.Sc (hons) in Economics/B.Sc  
i) Agri (Hons.)/B.Sc. Economics/ B.Sc. (Horticulture)/B.Sc (Forestry)/ B.Sc. (Agri-Maco)/B.Com/Bachelor in Business Administration/Bachelor in Business Economics.  
ii) Master's degree in Agricultural Economics/Economics/Business Economics..  
iii) At least 60% marks at Bachelor's level and 60% marks or OCPA of 6.00 out of 10.00 at Master's level.  
iv) Must have qualified National Eligibility Test (NET) in the relevant disciplines conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal and equivalent with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.  
v) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

A candidate, who does not possess Master's degree in relevant subject but possesses Ph.D. degree in these disciplines shall be eligible for the post.

The candidate holding Doctorate degree in the relevant subject required at Master's level shall be exempted from passing NET, provided, it has been done with course work as prescribed by the UGC regulations 2009.

**OR**

The candidate having completed Ph.D without course work from among 500 top ranking foreign Universities of the world as per QS or THE World ranking shall be exempted from NET, and

The candidate has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

Only those research papers will be considered that have been published or accepted for publications by the last date of submission of application.

**Job Responsibilities:**

- i) To undertake research/teaching/extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**9. Qualifications for the post of Rice Breeder.**

- i) B.Sc. (Agri.)/B.Sc (Hort.)/B.Sc. (Forestry)/B.Sc. (Biotechnology) in Plant Science/B. Tech Biotechnology in Plant Sciences.
- ii) Master's degree in Plant Breeding/Plant Breeding & Genetics/Genetics in Crop Plants.
- iii) At least 60% marks at Bachelor's level and 65% marks or OCPA of 6.50 out of 10.0 at Master's level.
- iv) Must have qualified National Eligibility Test (NET) in Plant Breeding/Plant Breeding & Genetics/Genetics in Crop Plants conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal and equivalent with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in Plant Breeding/Plant Breeding & Genetics/Genetics in (Crop Plants) but possesses Ph.D. degree in these disciplines shall be eligible for the post.

**Note 2:** The candidate holding Doctorate degree in Plant Breeding/Plant Breeding & Genetics/Genetics in Crop Plants shall be exempted from passing NET, provided, it has been done with course work as prescribed by the UGC regulations 2009.

**OR**

- The candidate having completed Ph.D without course work from among 500 top ranking foreign Universities of the world as per QS or THE World ranking shall be exempted from NET, and
- The candidate has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only those research papers will be considered that have been published or accepted for publications by the last date of submission of application.

**Note 5:** The candidate should have cleared 4 years degree programme at Graduation/Bachelor's level.

- The candidates who have completed Bachelor degree in 3 years should have cleared their deficiency courses in relevant subjects of Bachelor's degree during their Master's degree or should have completed one year duration Hons./Bridged/special programme etc.
- The candidates who have done B. Sc. (Biotechnology) in Plant Sciences / B.Tech. Biotechnology in Plant Sciences should have cleared deficiency courses of bachelor's degree in relevant subject(s) during their master's degree or should have completed one year duration Hons./Bridged/special programme etc.

**Job Responsibilities:**

- i) To undertake research/teaching/extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**10. Qualifications for the post of Wheat Breeder.**

- i) B.Sc.(Agriculture)/B.Sc.(Horticulture)/ B.Sc.(Forestry)/ B.Sc. Biotechnology in Plant Sciences /B. Tech. Biotechnology in Plant Sciences.
- ii) **Master's degree in Plant Breeding/Plant Breeding & Genetics/Genetics in (Crop Plants).**
- iii) At least 60% marks at Bachelor's level and 65% marks or OCPA of 6.50 out of 10.0 at Master's level.
- iv) Must have qualified National Eligibility Test (NET) in Plant Breeding/Plant Breeding & Genetics/Genetics in (Crop Plants) conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal and equivalent with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in Plant Breeding/Plant Breeding & Genetics/Genetics in (Crop Plants) but possesses Ph.D. degree in these disciplines shall be eligible for the post.

**Note 2:** The candidate holding Doctorate degree in Plant Breeding/Plant Breeding & Genetics/Genetics in (Crop Plants) shall be exempted from passing NET, provided, it has been done with course work as prescribed by the UGC regulations 2009.

OR

- The Candidate having completed Ph.D without course work from among 500 top ranking foreign Universities of the world as per QS or THE World ranking shall be exempted from NET, and
- The candidate has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor

**Note 4:** Only those research papers will be considered that have been published or accepted for publications by the last date of submission of application.

**Note 5:** The candidate should have cleared 4 years degree programme at Graduation /Bachelor's level.

- The candidates who have completed Bachelor degree in 3 years should have cleared their deficiency courses in relevant subjects of Bachelor's degree during their Master's degree or should have completed one year duration Hons./Bridged/special programme etc.
- The candidates who have done B.Sc./B.Tech in Biotechnology in Plant Sciences should have cleared deficiency courses of bachelor's degree in relevant subject(s) during their master's degree or should have completed one year duration Hons./Bridged/Special Programme etc

**Job Responsibilities:**

- i) To undertake research/teaching/extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

## 11. Qualifications for the post of Scientist (Soils).

- i) B.Sc. (Agri.)/B.Sc (Hort.)/B.Sc. (Forestry)/ B.Sc./ B.Sc. (Biotechnology) in Plant Science/B. Tech Biotechnology in Plant Sciences.
- ii) Master's degree in Soil Science.
- iii) At least 60% marks at Bachelor's level and 65% marks or OCPA of 6.50 out of 10.0 at Master's level.
- iv) Must have qualified National Eligibility Test (NET) in the relevant disciplines conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal and equivalent with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in relevant subject but possesses Ph.D. degree in these disciplines shall be eligible for the post.

**Note 2:** The candidate holding Doctorate degree in the relevant subject required at Master's level shall be exempted from passing NET, provided, it has been done with course work as prescribed by the UGC regulations 2009.

OR

- The candidate having completed Ph.D without course work from among 500 top ranking foreign Universities of the world as per QS or THE World ranking shall be exempted from NET, and
- The candidate has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only those research papers will be considered that have been published or accepted for publications by the last date of submission of application.

**Note 5:** The candidate should have cleared 4 years degree programme at Graduation/Bachelor's level.

- The candidates who have completed Bachelor degree in 3 years should have cleared their deficiency courses in relevant subjects of Bachelor's degree during their Master's degree or should have completed one year duration Hons./Bridged/special programme etc.
- The candidates who have done B. Sc. (Biotechnology) in Plant Sciences / B.Tech. Biotechnology in Plant Sciences should have cleared deficiency courses of bachelor's degree in relevant subject(s) during their master's degree or should have completed one year duration Hons./Bridged/special programme etc.

### Job Responsibilities:

- i) To undertake research/teaching/extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**12. Qualifications for the post of Scientist (Agronomy) (at outstation).**

- i) B.Sc. (Agri.)/B.Sc (Hort.)/B.Sc. (Forestry)/ B.Sc. (Biotechnology) in Plant Science/B. Tech Biotechnology in Plant Sciences.
- ii) Master's degree in Agronomy.
- iii) At least 60% marks at Bachelor's level and 65% marks or OCPA of 6.50 out of 10.0 at Master's level.
- iv) Must have qualified National Eligibility Test (NET) in the relevant disciplines conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal and equivalent with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in relevant subject but possesses Ph.D. degree in these disciplines shall be eligible for the post.

**Note 2:** The candidate holding Doctorate degree in the relevant subject required at Master's level shall be exempted from passing NET, provided, it has been done with course work as prescribed by the UGC regulations 2009.

**OR**

- The candidate having completed Ph.D without course work from among 500 top ranking foreign Universities of the world as per QS or THE World ranking shall be exempted from NET, and
- The candidate has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only those research papers will be considered that have been published or accepted for publications by the last date of submission of application.

**Note 5:** The candidate should have cleared 4 years degree programme at Graduation/Bachelor's level.

- The candidates who have completed Bachelor degree in 3 years should have cleared their deficiency courses in relevant subjects of Bachelor's degree during their Master's degree or should have completed one year duration Hons./Bridged/special programme etc.
- The candidates who have done B. Sc. (Biotechnology) in Plant Sciences / B.Tech. Biotechnology in Plant Sciences should have cleared deficiency courses of bachelor's degree in relevant subject(s) during their master's degree or should have completed one year duration Hons./Bridged/special programme etc.

**Job Responsibilities:**

- i) To undertake research/teaching/extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**13. Qualifications for the post of Scientist (Farm Machinery & Power Engineering) (at Outstation).**

- i) Bachelor's degree in Agricultural Engineering/Mechanical Engineering.
- ii) Master's degree in Farm Machinery & Power Engineering/Farm Power Machinery.
- iii) At least 60% marks at Bachelor's level and 65% marks or OCPA of 6.50 out of 10.0 at Master's level.
- iv) Must have qualified National Eligibility Test (NET) in the relevant disciplines conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal and equivalent with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in relevant subject but possesses Ph.D. degree in the disciplines required at Master's level shall be eligible for the post.

**Note 2:** The candidate holding Doctorate degree in the relevant subject required at Master's level shall be exempted from passing NET, provided, it has been done with course work as prescribed by the UGC regulations 2009.

**OR**

- The candidate having completed Ph.D without course work from among 500 top ranking foreign Universities of the world as per QS or THE World ranking shall be exempted from NET, **and**
- The candidate has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only those research papers will be considered that have been published or accepted for publications by the last date of submission of application.

**Note 5:** The condition of qualified National Eligibility Test (NET) at Sr. No.(iv) will be relaxable in the subject of Mechanical Engineering, Mechatronics, Computer Science & Engineering, Civil Engineering and Electrical Engineering

**Note 6:** The candidate should have cleared 4 years degree programme at Graduation/Bachelor's level.

**Job Responsibilities:**

- i) To undertake research/teaching/extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**14. Qualifications for the post of Scientist (Seed Production) (at Outstation).**

- i) B.Sc. (Agri.)/B.Sc(Hons)/B.Sc. (Hort.)/B.Sc. (Forestry)/B.Sc. (Biotechnology) /B.Sc. (Biotechnology) in Plant Science/B. Tech Biotechnology in Plant Sciences.
- ii) Master's degree in Plant Breeding/Vegetable Crops/Agronomy/Seed Science & Technology.
- iii) At least 60% marks at Bachelor's level and 65% marks or OCPA of 6.50 out of 10.0 at Master's level.
- iv) Must have qualified National Eligibility Test (NET) in the relevant disciplines conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal and equivalent with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in relevant subject but possesses Ph.D. degree in the disciplines required at Master's level shall be eligible for the post.

**Note 2:** The candidate holding Doctorate degree in the relevant subject required at Master's level shall be exempted from passing NET, provided, it has been done with course work as prescribed by the UGC regulations 2009.

OR

- The candidate having completed Ph.D without course work from among 500 top ranking foreign Universities of the world as per QS or THE World ranking shall be exempted from NET, and
- The candidate has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only those research papers will be considered that have been published or accepted for publications by the last date of submission of application.

**Note 5:** The candidate should have cleared 4 years degree programme at Bachelor's level.

- The candidates who have completed Bachelor degree in 3 years should have cleared their deficiency courses in relevant subjects of Bachelor's degree during their Master's degree or should have completed one year duration Hons./Bridged/special programme etc.
- The candidates who have done B. Sc. (Biotechnology) in Plant Sciences / B.Tech. Biotechnology in Plant Sciences should have cleared deficiency courses of bachelor's degree in relevant subject(s) during their master's degree or should have completed one year duration Hons./Bridged/special programme etc.

**Job Responsibilities:**

- i) To undertake research/teaching/extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**15. Qualifications for the post of Scientist (Soil & Water Engineering) (Outstation).**

- i) Bachelor's degree in Agricultural Engineering/Civil Engineering.
- ii) Master's degree in Soil & Water Engineering.
- iii) At least 60% marks at Bachelor's level and 65% marks or OCPA of 6.50 out of 10.00 at Master's level.
- iv) Must have qualified National Eligibility Test (NET) in the in the relevant discipline conducted by ASRB/UGC/ CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal and equivalent with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in the in the relevant subject but possesses Ph.D. degree in the discipline required at Master's level, shall be eligible for the post.

**Note 2:** The candidate holding Doctorate degree in the relevant subject required at Master's level shall be exempted from passing NET, provided, it has been done with course work as prescribed by the UGC regulations 2009.

**OR**

The Candidate having completed Ph.D without course work from among 500 top ranking foreign Universities of the world as per QS or THE World ranking shall be exempted from NET, **and**

- The candidate has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

**Note 3 :** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only those research papers will be considered that have been published or accepted for publications by the last date of submission of application.

**Note 5:** The candidate should have cleared 4 years degree programme at Graduation/Bachelor's level.  
- The candidates who have completed Bachelor degree in 3 years should have cleared their deficiency courses in relevant subjects of Bachelor's degree during their Master's degree or should have completed one year duration Hons./Bridged/special programme etc.

**Job Responsibilities:**

- i) To undertake research/teaching/extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**16. Qualifications for the post of Agronomist.**

- i) B.Sc. (Agri.)/B.Sc (Hort.)/B.Sc (Forestry)/ B.Sc. (Biotechnology) in Plant Science or B. Tech Biotechnology in Plant Sciences.
- ii) Master's degree in Agronomy.
- iii) At least 60% marks at Bachelor's level and 65% marks or OCPA of 6.50 out of 10.0 at Master's level.
- iv) Must have qualified National Eligibility Test (NET) in the relevant disciplines conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal and equivalent with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in relevant subject but possesses Ph.D. degree in the disciplines required at Master's level shall be eligible for the post.

**Note 2:** The candidate holding Doctorate degree in the relevant subject required at Master's level shall be exempted from passing NET, provided, it has been done with course work as prescribed by the UGC regulations 2009.

OR

- The candidate having completed Ph.D without course work from among 500 top ranking foreign Universities of the world as per QS or THE World ranking shall be exempted from NET, and
- The candidate has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only those research papers will be considered that have been published or accepted for publications by the last date of submission of application.

**Note 5:** The candidate should have cleared 4 years degree programme at Bachelor's level.

- The candidates who have completed Bachelor degree in 3 years should have cleared their deficiency courses in relevant subjects of Bachelor's degree during their Master's degree or should have completed one year duration Hons./Bridged/special programme etc.
- The candidates who have done B. Sc. (Biotechnology) in Plant Sciences / B.Tech. Biotechnology in Plant Sciences should have cleared deficiency courses of bachelor's degree in relevant subject(s) during their master's degree or should have completed one year duration Hons./Bridged/special programme etc.

**Job Responsibilities:**

- i) To undertake research/teaching/extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**17. Qualifications for the post of Biochemist (at Outstation).**

- i) B.Sc (Medical)/B.Sc(Hons) with any Biological Science/B.Sc Biochemistry/B.Sc. (Agri.)/B.Sc Agri. (Hons)/ B.Sc. Biotechnology (Hons.)/B.Sc. (Hort.)/B.Sc. (Forestry)/ B.Sc. Food Technology /B. Tech (Food Technology).
- ii) Master's degree in Biochemistry.
- iii) At least 60% marks at Bachelor's level and 65% marks or OCPA of 6.50 out of 10.0 at Master's level.
- iv) Must have qualified National Eligibility Test (NET) in the relevant disciplines conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal and equivalent with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in relevant subject but possesses Ph.D. degree in the disciplines required at Master's level shall be eligible for the post.

**Note 2:** The candidate holding Doctorate degree in the relevant subject required at Master's level shall be exempted from passing NET, provided, it has been done with course work as prescribed by the UGC regulations 2009.

OR

- The candidate having completed Ph.D without course work from among 500 top ranking foreign Universities of the world as per QS or THE World ranking shall be exempted from NET, and
- The candidate has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only those research papers will be considered that have been published or accepted for publications by the last date of submission of application.

**Note 5:** The candidate should have cleared 4 years degree programme at Bachelor's level except degree in Basic Science & Social Sciences discipline.

- The candidates who have completed Bachelor degree in 3 years should have cleared their deficiency courses in relevant subjects of Bachelor's degree during their Master's degree or should have completed one year duration Hons./Bridged/special programme etc.

**Job Responsibilities:**

- i) To undertake research/teaching/extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**18. Qualifications for the post of Nematologist.**

- i) B.Sc. (Agri.)/ B.Sc. (Hort.)/ B.Sc. (Forestry)/ B.Sc. (Medical)/B.Sc. (Biotechnology) in Plant Science /B. Tech Biotechnology in Plant Sciences.
- ii) Master's degree in Plant Pathology with specialization in Nematology/M.Sc Nematology.
- iii) At least 60% marks at Bachelor's level and 65% marks or OCPA of 6.50 out of 10.0 at Master's level.
- iv) Must have qualified National Eligibility Test (NET) in the relevant disciplines conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal and equivalent with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in relevant subject but possesses Ph.D. degree in these disciplines shall be eligible for the post.

**Note 2:** The candidate holding Doctorate degree in the relevant subject required at Master's level shall be exempted from passing NET, provided, it has been done with course work as prescribed by the UGC regulations 2009.

OR

- The candidate having completed Ph.D without course work from among 500 top ranking foreign Universities of the world as per QS or THE World ranking shall be exempted from NET, and
- The candidate has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only those research papers will be considered that have been published or accepted for publications by the last date of submission of application.

**Note 5:** The candidate should have cleared 4 years degree programme at Graduation/Bachelor's level except degree in basic sciences and social sciences.

- The candidates who have completed Bachelor degree in 3 years should have cleared their deficiency courses in relevant subjects of Bachelor's degree during their Master's degree or should have completed one year duration Hons./Bridged/special programme etc.
- The candidates who have done B. Sc. (Biotechnology) in Plant Sciences / B.Tech. Biotechnology in Plant Sciences should have cleared deficiency courses of bachelor's degree in relevant subject(s) during their master's degree or should have completed one year duration Hons./Bridged/special programme etc.

**Job Responsibilities:**

- i) To undertake research/teaching/extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**19. Qualifications for the post of Mycologist (Mushroom).**

- i) Bachelor of Science degree in any discipline.
- ii) Master's degree in Microbiology.
- iii) At least 60% marks at Bachelor's level and 65% marks or OCPA of 6.50 out of 10.0 at Master's level.
- iv) The candidate should have worked in mushroom cultivation and improvement during MSc./Ph.D research or have one year experience in mushroom cultivation and improvement.
- v) Must have qualified National Eligibility Test (NET) in the relevant disciplines conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal and equivalent with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- vi) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in relevant subject but possesses Ph.D. degree in these disciplines required at Master's level, shall be eligible for the post.

**Note 2:** The candidate holding Doctorate degree in the relevant subject required at Master's level shall be exempted from passing NET, provided, it has been done with course work as prescribed by the UGC regulations 2009.

OR

- The candidate having completed Ph.D without course work from among 500 top ranking foreign Universities of the world as per QS or THE World ranking shall be exempted from NET, and
- The candidate has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only those research papers will be considered that have been published or accepted for publications by the last date of submission of application.

**Job Responsibilities:**

- i) To undertake research/teaching/extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

## 20. Qualifications for the post of Plant Biotechnologist.

- i) B.Sc Biotechnology in Plant Sciences/B.Tech Biotechnology (Hons.) in Plant Sciences/B.Sc Agriculture (Hons.) /B.Sc Horticulture (Hons.)/B.Sc Medical
- ii) Master's degree in Biotechnology/Molecular Biology and Biotechnology/ Plant Breeding & Genetics/Fruit Science/Vegetable Science with specialization in Plant Biotechnology
- iii) At least 60% marks at Bachelor's level and 65% marks or OCPA of 6.50 out of 10.0 at Master's level.
- iv) Must have qualified National Eligibility Test (NET) in the relevant disciplines conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal and equivalent with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Desirable Qualifications- Experience of working in Corp Plants on Genomics/High throughput SNP genotyping/Genome-wide association mapping/High resolution gene and QTL mapping/Genome and transcriptome data analysis/Genetic Transformation data analysis/Genetic Transformation as evident from good quality publications in peer-reviewed journals.**

**Note 1:** A candidate, who does not possess Master's degree in relevant subject but possesses Ph.D. degree in the disciplines required at Master's level shall be eligible for the post.

**Note 2:** The candidate holding Doctorate degree in the relevant subject required at Master's level shall be exempted from passing NET, provided, it has been done with course work as prescribed by the UGC regulations 2009.

OR

- The candidate having completed Ph.D without course work from among 500 top ranking foreign Universities of the world as per QS or THE World ranking shall be exempted from NET, and
- The candidate has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only those research papers will be considered that have been published or accepted for publications by the last date of submission of application.

**Note 5:** The candidate should have cleared 4 years degree programme at Graduation/Bachelor's level except degree in Basic Science.

- The candidates who have completed Bachelor degree in 3 years should have cleared their deficiency courses in relevant subjects of Bachelor's degree during their Master's degree or should have completed one year duration Hons./Bridged/special programme etc.

### Job Responsibilities:

- i) To undertake research/teaching/extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**21. Qualifications for the post of Assistant Professor (Biochemistry).**

- i) B.Sc.(Medical)/B.Sc. (Hons.) with any Biological Science/B.Sc (Biochemistry)/B.Sc.(Agri.)/ B.Sc (Agri) (Hons)/B.Sc (Biotechnology) (Hons)/ B.Sc (Biotech)/B.Sc(Hort.)/B.Sc (Forestry)/B.Sc (Food Tech)/ B.Tech (Food Technology).
- ii) Master's degree in Biochemistry.
- iii) At least 60% marks each at Bachelor's level and 65% marks or OCPA of 6.50 out of 10.00 at Master's level.
- iv) Must have qualified National Eligibility Test (NET) in the relevant discipline conducted by ASRB/UGC/ CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal and equivalent with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in the in the relevant subject but possesses Ph.D. degree in the discipline required at Master's level, shall be eligible for the post.

**Note 2:** The candidate holding Doctorate degree in the relevant subject required at Master's level shall be exempted from passing NET, provided, it has been done with course work as prescribed by the UGC regulations 2009.

**OR**

- The Candidate having completed Ph.D without course work from among 500 top ranking foreign Universities of the world as per QS or THE World ranking shall be exempted from NET, and
- The candidate has minimum 2 research publications in the journals each with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

**Note 3 :** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only those research papers will be considered that have been published or accepted for publications by the last date of submission of application.

**Note 5:** The candidate should have cleared 4 years degree programme at Graduation/Bachelor's level except degree in Basic Sciences and social sciences discipline.

- The candidates who have completed Bachelor degree in 3 years should have cleared their deficiency courses in relevant subjects of Bachelor's degree during their Master's degree or should have completed one year duration Hons./Bridged/special programme etc.

**Job Responsibilities:**

- i) To undertake teaching/ research/extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**22. Qualifications for the post of Assistant Professor (Plant Pathology).**

- i) B.Sc. (Agri.)/B.Sc (Forestry)/B.Sc. (Biotechnology) in Plant Science/B. Tech Biotechnology in Plant Sciences.
- ii) Master's degree in Plant Pathology.
- iii) At least 60% marks at Bachelor's level and 65% marks or OCPA of 6.50 out of 10.0 at Master's level.
- iv) Must have qualified National Eligibility Test (NET) in the relevant disciplines conducted by ASRB/UGC/CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal and equivalent with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v) Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).

**Note 1:** A candidate, who does not possess Master's degree in relevant subject but possesses Ph.D. degree in the disciplines required at Master's level shall be eligible for the post.

**Note 2:** The candidate holding Doctorate degree in the relevant subject required at Master's level shall be exempted from passing NET, provided, it has been done with course work as prescribed by the UGC regulations 2009.

**OR**

- The candidate having completed Ph.D without course work from among 500 top ranking foreign Universities of the world as per QS or THE World ranking shall be exempted from NET, **and**

- The candidate has minimum 2 research publications in the journals with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.

**Note 3:** In case of non-NAAS rated papers, Clarivate Analytics (CA) impact factor journals will be considered as NAAS rated with rating of 6+CA impact factor.

**Note 4:** Only those research papers will be considered that have been published or accepted for publications by the last date of submission of application.

**Note 5:** The candidate should have cleared 4 years degree programme at Graduation/Bachelor's level.

- The candidates who have completed Bachelor degree in 3 years should have cleared their deficiency courses in relevant subjects of Bachelor's degree during their Master's degree or should have completed one year duration Hons./Bridged/special programme etc.
- The candidates who have done B. Sc. (Biotechnology) in Plant Sciences / B.Tech. Biotechnology in Plant Sciences should have cleared deficiency courses of bachelor's degree in relevant subject(s) during their master's degree or should have completed one year duration Hons./Bridged/special programme etc.

**Job Responsibilities:**

- i) To undertake teaching/research/extension education activities.
- ii) To take initiatives for developing research projects and to obtain funding.
- iii) Any other duty that may be assigned from time to time.

**23. Qualifications for the post of Assistant Professor (Animal Science) (at Outstation).**

- i) B.V.Sc/B.V.Sc& A.H./B.Sc (Agri).
- ii) Master's degree in Veterinary & Animal Husbandry Extension/Veterinary & Animal Husbandry Extension Education/Livestock Production & Management/Animal Breeding/Animal Breeding & Genetics/Animal Nutrition/Animal Reproduction/Vety Gynecology & Obstetrics/Veterinary Medicine/Epidemiology & Preventive Veterinary Medicine/Veterinary Public Health & Epidemiology.
- iii) At least 60% marks at Bachelor's level and 65% marks or OCPA of 6.50 out of 10.00 at Master's level.
- iv) Must have qualified National Eligibility Test (NET) in the relevant discipline conducted by ASRB/UGC/ CSIR along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal and equivalent with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
- v)
  - a) Must have passed Matric level certificate of Punjabi language from Punjab School Education Board or any other recognized Board (as first or second language).
  - b) Proficiency in speaking and writing Punjabi.

**The qualifying written exam of Punjabi Language will be conducted before the interview for the post. The applications of the candidates who will qualify the said exam, will only be considered for further process.**

**Note 1:** A candidate, who does not possess Master's degree in the relevant subject but possesses Ph.D. degree in the discipline required at Master's level, shall be eligible for the post.

**Note 2:** The candidate holding Doctorate degree in the relevant subject required at Master's level shall be exempted from passing NET, provided, it has been done with course work as prescribed by the UGC regulations 2009.

**OR**

The Candidate having completed Ph.D without course work from among 500 top ranking foreign Universities of the world as per QS or THE World ranking shall be exempted from NET, **and**

- The candidate has minimum 2 research publications in the journals each with more than 6 NAAS rating or with Clarivate Analytics (CA) impact factor or the journals approved by the University for publications.
